Installation Instructions for Arctic Cat Magnum Gas Cap.

1. Remove the stock gas cap from the sled.
2. Insert a pick tool between top lip of the baffle and gasket and gently pull out the stock anti-splash baffle assembly. (see diagram)
3. Replace the stock rubber gasket with the gasket furnished inside of the AMP cap.
4. Install the upgraded anti-splash baffle assembly into the AMP Gas Cap and install the cap assembly on the sled.
